MEMORANDUM FOR: Deputy Director for Administration STATINTL  
FROM : Harry E. Fitzwater  
Director of Training  
SUBJECT : [REDACTED] Request for  
Financial Waiver STATINTL  
REFERENCE : IG Memo 76-2794 dtd 18 Aug 76

1. On 10 August 1976, I met with [REDACTED] and explained my reasons for non-concurrence with his request. After hearing his reasons for resignation, I suggested that he might wish to consider LWOP or part-time employment within the Agency while continuing with his studies. I offered to look into the availability of a part-time job. He said the LWOP was not desired but would consider the possibility of part-time employment. He later called saying that he thought part-time work would impact on his studies.

2. In view of the reference, I will reluctantly concur with the waiver. It is believed, however, that this sets an undesirable precedence that may continue to plague us in the future.
